

## Haunted St. Joseph Tours 2020 COVID -19 Policies

The Berrien County Historical Association, the Heritage Museum & Cultural Center, and the Twin City Players host annual tours of two historic locations in St. Joseph. Changes are being implemented to comply with state requirements to reduce the transmission of COVID-19.

**The participating organizations will enforce these rules and attendees who do not comply will be asked to leave and no refund will be given!**

- 1) All attendees must be wearing a mask at all times unless they are partaking in refreshments.
- 2) Temperature checks will be performed on all attendees and everyone will be required to sign a waiver.
  - Anyone who appears sick WILL be turned away and no refund given!
- 3) Entrance and exit locations will be clearly marked and attendees must follow the path to reduce exposure to other visitors
- 4) It is recommended that guests that check in early wait in their cars until the appointed tour time.
- 5) Groups will remain small and we ask that attendees not in the same party (i.e. with spouse or family/friends) to keep distance from other attendees on that tour.
- 6) Snacks will be available and will be handed directly to attendees when requested.
- 7) Tours have limited numbers and that will be enforced, tickets must be purchased for next available tour and attendees will need to return to the location at that time.
